# ABOUT US

We understand that our customers demand not only top-tier quality but also products that stand out in a competitive market. At Zora Pack Industries, we institute the seamless fusion of technology and artistry, resulting in products that are not just functional but also aesthetically pleasing.

We are one of the first companies in India and U.A.E to manufacture in-mould labelled (IML) containers. Our expertise in manufacturing IML containers is a result of our endless commitment to invest in new technologies in the field of engineering, manufacturing and automation. This commitment has allowed us to produce containers that not only meet but exceed the expectations of our customers. We take great pride in our commitment to deliver the highest quality products to our valued customers. With a relentless focus on cutting-edge technology and a passion for perfection, we have established ourselves as leaders in the industry.

We are proud to be a brand of Al Ras Group. Al Ras Group has its presence in the Middle East for over 30 years, serving customers around the globe with exclusive products and services.

At Zora Pack Industries, it's not just about making IML containers; it's about crafting experiences, and we look forward to serving you with the best in quality, technology, and customer satisfaction. We are committed to pushing the boundaries of what is possible in this industry. Join us on a journey of precision, creativity, and unwavering dedication to craftsmanship as we redefine and elevate the standards of IML container production.

## OUR CERTIFICATIONS

## NATURAL TREASURE FROM ARABIA

Our packaging dedicated to accommodate dates and dates related products thrive in arid conditions just like the date palm trees, otherwise known as the "tree of life".
